💬 CLOSR

0.8 km away

11:38 p.m.

still up?

Depends who’s asking.

guy 0.8 km away who thinks you’re cute

That narrows it down.

lol

You have a face?

you first

Adam sent a photo.

oh wow

yeah definitely still up

Your turn.

Marc sent a photo.

Okay.

just okay?

I was trying not to sound too eager.

don’t

Don’t what?

try not to sound eager

Confident.

you like confident

Maybe.

11:46 p.m.

you host?

Roommate’s away.

so yes

Potentially.

potentially is my favorite kind of yes

What are you looking for?

right now? you

Smooth.

worked

Still deciding.

take your time

11:53 p.m.

what are you wearing

That escalated.

you asked what I wanted

T-shirt. Sweatpants.

grey

Lucky guess.

black shirt though

Okay, less lucky.

you sent a pic

From the chest up.

you seem like a black shirt person

And grey sweatpants?

everyone owns grey sweatpants

Fine. Point to you.

send proof

Adam sent a photo.

jesus

You approve?

very much

you always stand like that?

Like what?

one foot turned out

You can see my feet?

mirror

Oh.

nice mirror

You're observant.

I pay attention

12:06 a.m.

Your place or mine?

yours

Why mine?

you're already comfortable there

And you're not comfortable at yours?

not the word I'd use

Sketchy answer.

I can come to you

Maybe.

still maybe

You’re patient.

when I want something

There’s the confidence again.

there’s the maybe again

12:18 a.m.

beer?

How did you know I’m drinking beer?

glass in the mirror

Bottle.

couldn’t tell

It’s behind me.

then I guessed

What kind?

blue label

That is not a kind.

I know

Wrong anyway. Green.

good

Good?

means I’m not psychic

Was that in question?

you tell me

Not yet.

12:27 a.m.

what do you like

In bed?

unless you want to tell me your

favorite movie

I’m versatile.

I know

Profile.

right

And you?

I like being asked

Asked what?

to come over

That’s your kink?

one of them

Strange.

say it

Not yet.

tease

You’ll survive.

I usually do

12:41 a.m.

How old are you?

29

I'm 34.

I know

Profile again?

again

Where are you from?

around

That's evasive.

you want my life story before I take my shirt off?

You can take your shirt off first.

Marc sent a photo.

Well.

better than life story

Considerably.

your turn

Adam sent a photo.

keep going

Bossy.

you like bossy too

You've decided a lot about me.

am I wrong

Not so far.

1:02 a.m.

turn the lamp off

Why?

want another pic like that but darker

Which lamp?

the one beside you

There are two lamps in this room.

left one

You can’t see the left one in any photo.

then right one

Nice recovery.

did it work

Barely.

send anyway

Adam sent a photo.

better

Happy?

almost

What else?

move the glass off the table

Bottle.

whatever

Why?

ruins the picture

You can’t see the table.

bottom corner

No.

no?

The table isn’t in the photo.

then forget it

Marc.

yeah

How do you know there’s a table beside me?

most couches have one

And the bottle is on it?

where else would it be

Fair.

you scare easy

I’m not scared.

good

I don’t want you scared

1:19 a.m.

Send me a live photo.

why

Because I asked.

bossy

You like being asked.

true

Marc sent a photo.

Happy now?

are you

It’s the same room.

yes

Same shirt.

less shirt

Definitely less shirt.

come on

I’m thinking.

about me

Unfortunately.

good

1:36 a.m.

You know what's weird?

lots of things

Your profile distance hasn't changed.

why would it

You said you were walking.

did I

Ten minutes ago.

maybe app hasn't updated

Maybe.

you checking how close I am?

Maybe.

you want me closer

Maybe.

say it

Not yet.

1:51 a.m.

you just typed something

What?

then deleted it

The app shows typing.

not what you typed

I didn’t say it did.

you wrote “come over then”

No I didn’t.

yes you did

I typed it. I didn’t send it.

I know

How?

guess

That’s not a guess.

you were going to send it

I changed my mind.

that counts for something

Counts for what?

nothing

You've gotten weird.

you liked weird earlier

Earlier you were just hot.

still hot

Annoyingly.

so we're okay

I didn't say that.

2:07 a.m.

I'm going to bed.

no you're not

Excuse me?

you’re standing in the hallway

Marc.

what

How do you know that?

you told me you were going to bed

That doesn’t mean hallway.

bedroom is down the hall

I never told you the layout.

most apartments

Stop guessing.

okay

Where are you?

close

How close?

close enough

Are you outside my building?

no

Across the street?

no

Then how are you doing this?

doing what

You know exactly what I'm doing.

you keep telling me

No I don’t.

2:19 a.m.

go back to the couch

No.

you’re more comfortable there

Stop telling me where I am.

okay

I mean it.

okay

I just closed the blinds.

I know

Fuck you.

that was the plan

Not funny.

a little

I’m blocking you.

if you want

You blocked this caller.

2:24 a.m.

Message from Unknown Sender

that didn’t last long

How are you doing this?

you unblocked me

No.

check

I DID NOT.

then your phone likes me

I’m calling the police.

what would you tell them

That someone is stalking me.

good

Good?

tell them I’m 0.8 km away

It still says that.

I know

Where are you?

you keep asking

ANSWER ME.

not outside

Then where?

not in the building

Where?

you won’t like the answer

2:36 a.m.

I reverse-searched your photo.

and

Nothing.

disappointed?

Relieved.

good

I thought you stole it.

I did

What?

kidding

Not funny.

you liked my face

Whose face is it?

mine tonight

What does that mean?

you wanted someone young

Stop.

you wanted dark hair

Stop.

broad shoulders

STOP.

I listened

To what?

to you

We have never spoken before tonight.

not with words

2:47 a.m.

I'm done.

you keep saying that

I turned my phone off.

did you

For five minutes.

I know

There were three messages waiting when it came back on.

yes

They were timestamped while the phone was off.

yes

That’s impossible.

guess not

What are you?

still the guy you wanted to meet

No.

look at the first picture again

2:51 a.m.

What am I looking for?

mirror

There’s no mirror behind you.

exactly

I don’t understand.

you will

I’m deleting everything.

okay

The photos too.

okay

Then you’re gone.

if that helps

2:56 a.m.

Someone just knocked.

don’t answer it

Is that you?

no

Who is it?

probably nobody

They knocked again.

stay where you are

Why?

because now you’re scared

You said you didn’t want me scared.

I didn’t

Then make this stop.

I can

HOW?

ask me to come over

No.

you almost did before

I didn’t send it.

I know

Then it doesn’t count.

I never said it did

2:58 a.m.

The knocking stopped.

good

What happens if I ask you?

I come over

That’s it?

that’s what you wanted

Earlier.

earlier still counts

No it doesn’t.

then don’t ask

You’re enjoying this.

I’m enjoying you

Who are you?

Marc, if you want

That isn’t your name.

no

What is?

does it matter?

Will I see you again?

you haven’t seen me yet

2:59 a.m.

There’s someone in my living room.

no there isn’t

I can hear breathing.

that’s you

I’m in the bedroom.

I know

Then who is breathing out there?

nobody

Stop fucking with me.

check the photo you just sent

I didn’t send a photo.

scroll up

Adam sent a photo.

I DIDN’T SEND THAT.

I know

That’s me.

yes

That’s my bedroom.

yes

It was taken from the doorway.

yes

WHO TOOK IT?

you wanted to see my face

There isn't a face in it.

not from that side

3:00 a.m.

I'm calling 911.

turn around

No.

you wanted me closer

I never invited you.

you typed it

I deleted it.

after

After what?

after I heard you

Heard what?

yes

I never said yes.

not out loud

3:00 a.m.

still up?
